

23 april 2022 - V16 Isnes

Na een winterstop van zeven maanden is het vliegseizoen 2022 begonnen. Eindelijk zonder coronaregels. Wel gooide de vogelgriep nog bijna roet in het eten, maar het vervoersverbod in de regio werd precies op tijd opgeheven.

Zaterdag om 9.00 uur startten de duiven hun eerste officiële wedvlucht vanuit het Belgische Isnes. Het weer zat de duiven en hun baasjes mee. Op wat sluierbewolking na was er geen vuiltje aan de lucht. Wel stond er een flinke oostenwind, waardoor de duiven tijdens hun vlucht naar het westen werden gedrukt. Van daaruit moesten ze tegen de wind in hun weg naar huis vinden. Voor de eerste duif in de vereniging geen enkel probleem. Deze duivin was om 10.41 uur thuis en vloog gemiddeld ruim 80 kilometer per uur. Daarmee pakte ze niet alleen de eerste plaats in de vereniging, maar ook in de Bossche Concours Combinatie e.o. en werd ze op een haartje na tweede in de afdeling Oost-Brabant.

Uitslag Wedvlucht 2156 DE GEVL. VRIENDEN NIEUWKUIJK
